WHY HIGHLAND IS DIFFERENT FROM OTHER FORWARDERS:

• EMPLOYEE FOCUS:

Emphasis on education, training and high quality employees (most of our staff hold Masters degrees and speak several foreign languages). Through constant training and audit process we strive for 100% perfection in all we do.

• CUSTOMER FOCUS:

Emphasis on Total Customer Satisfaction and Happiness —we live our motto "We Take Care of You". We truly care about every single shipment we have the honor of handling. We do not see "shipping boxes" - we see customers and their needs. Each customer is assigned a dedicated person (CSR) who can handle all modes of transport as well as customs clearance. We always work hard to custom-design the best solution for each situation.
