

Which Logistics Company Was Chosen To Handle A \$20 Million Project For A Coal Mine In Russia?

- ☐ The (very) large European forwarder that is on 6 continents
- ☐ The forwarder with the 65 branches in the USA and a very impersonal service
- ☒ Highland Forwarding - The forwarder that knows Russia like a native

Knowledge Matters - Not Size! Highland Forwarding is a specialist in the Russia/CIS Market. Choosing Highland for your next order in Russia, Kazakhstan, Ukraine or any other Russian speaking country will be the best decision of your project:

- The majority of our US staff are Russian speaking employees.
- We have been a major player in the market for over 12 years with our own employees in Russia, Ukraine, Armenia and Kazakhstan.
- We communicate with your customers directly in Russian to learn of their requirements in regards to customs clearance and shipping preferences.
- We check all documents and secure approvals in advance of shipping thus avoiding costly storage in Russian ports and delays at customs.
- We evaluate truck vs. rail transport for every shipment to determine the most cost-effective and timely solution.
