## A WORD FROM COMPANY PRESIDENT

Radek Maly

Highland Forwarding was founded in 1998 and is a medium size international freight forwarder, based in Londonderry, New Hampshire, just 45 minutes from Boston's port and airport. We handle general cargo shipments (air freight, LCL and containers) covering the entire USA and Canada to/from worldwide. We have been recognized and awarded multiple times as one of the fastest growing logistics companies in the USA. A sister company, Highland Project Logistics was founded in 2011 with a focus on overweight and oversized cargo and project shipments. Living our motto "We Take Care of You" has won us a loyal following with our customers.
